

Pullman School District Launches New Communication Platform to Encourage Stronger School-Home Connection

Bob Maxwell, Superintendent

Starting the 2023-24 school year, districts are required to bring their practices into alignment with the new language access legislation. Pullman School District has launched Q Communication powered by ParentSquare—a simple and unified school-to-home communication platform—to reach and engage every parent/guardian, helping ensure all families have the opportunity to receive information that will allow them to actively participate in their children’s education. ParentSquare provides our staff with an effective two-way communication tool. Automatic, real-time two-way translation in over 100+ languages, allows our staff to confidently communicate with families in their preferred language enabling stronger engagement between school and home.

Parents/guardians and students, in grades 9-12, can now receive all announcements from the district and their schools’ teachers and coaches in one place, with options to specify how and when they are notified. By unifying multiple tools into one communications app and service, parent/guardians and secondary students will be provided with a seamless experience to keep track of news, activities and events from all their children’s schools in one place. Pullman School District hopes that ParentSquare’s intuitive, two-way platform will foster greater communication and family involvement. School staff and families can also engage in both one-to-one and group messaging with real-time language translation.

Effective school-to-home communication has never been more important! ParentSquare will help empower everyone within the school community to stay connected and informed. We’re looking forward to reaching 100% of our families and unifying our communication tools while also adopting a more eco-friendly approach by reducing the amount of paper used to send important communications. For more information on ParentSquare, please visit our district website at: https://www.pullmanschools.org/families/family_communications/parent_square.

Child Find 2023-2024

Pullman School District

Early Childhood Developmental Screening

WHAT IS CHILD FIND?

This screening is an opportunity to identify, locate, and evaluate children who might have a disability and to address potential concerns.

WHO IS ELIGIBLE?

Children birth through 5 years of age who are living in the Pullman School District boundaries. **If your family is living in a temporary situation, you may contact the district in which you are currently staying for a screening.**

For more information or to schedule an appointment, please contact the Pullman School District Teaching and Learning Department at (509) 332-3144 or instructionalprograms@psd267.org

WHEN ARE THE SCREENINGS?

Friday mornings during the 2023-2024 school year

- September 1
- October 13
- November 3
- January 12
- February 2
- March 1
- April 5
- May 3

All screenings will be held at the Community Childcare Center/Head Start Building at 530 NW Larry Street.

The Pullman School District Board of Directors and the Pullman School District shall provide equal educational opportunity and treatment for all students in all aspects of the academic and activities programs without regard to race, religion, creed, color, national origin, age, honorably-discharged veteran or military status, sex, sexual orientation (including gender expression or identity), marital status, the presence of any sensory, mental or physical disability, participation in the Boy Scouts of America or the use of a trained dog guide or service animal by a person with a disability. The district will provide equal access to school facilities to the Boy Scouts of America and all other designated youth groups listed in Title 36 of the United States Code as a patriotic society. District programs will be free from sexual harassment. The following employees have been designated to handle questions and complaints of alleged discrimination: Civil Rights Coordinator and Title IX Coordinator, Assistant Superintendent, (509) 332-3144, and Section 504 Coordinator, Director of Special Services, (509) 332-3144, 240 SE Dexter Street, Pullman, WA 99163. Applicants with disabilities may request reasonable accommodations in the application process by contacting the Personnel Coordinator at (509) 332-3584.

Thank you to everyone who bought and displayed a poster or stencil. We are grateful for every donation, and the support of the entire community. Together we made PHS Class of 2023 feel supported and loved! Go Greyhounds!

Hello Pullman Community!

Cheyenne Webber, Sunnyside & Jefferson Elementary Assistant Principal

As we soak up the final days of summer on the Palouse and head into fall, I wanted to say how excited I am to serve as assistant principal for both Jefferson Elementary and Sunnyside Elementary beginning this year!

A little bit about me...My name is Cheyenne Webber and I was born in Sunnyside but grew up in Puyallup, Washington. My mother is from Guanajuato, Mexico and my father is from this beautiful Evergreen state. I have four siblings, three brothers and a sister. I met my husband in our seventh-grade orchestra class at Ferrucci Junior High. We have been together since February 2009 and just celebrated our four-year wedding anniversary on July 27th. My husband and I have two cats (Khaleesi and Buoy) and an Irish setter (Strider).

In 2013, I moved from Puyallup to Pullman for college as a first-generation student and second-generation American to earn my undergraduate degree in elementary education... Go Cougs! After graduation, I moved back to Puyallup to teach fourth grade and give back to the school district I went to school in. I only lasted two years before all of the traffic getting to and from work got to me. I couldn't sit in a car any longer!

My sister-in-law (who lives in Pullman and dealt with minimal traffic) sent me an application link for Pullman

School District and so I applied. I got offered a kindergarten teacher position the opening year of Kamiak Elementary school and so my husband, our two cats, and I moved to Pullman a second time.

Very quickly we came to love Pullman in a whole new way! As a student, you really just stay on campus, you don't really have the opportunity to explore Pullman or get to meet the people within the town. We quickly found "our people" within our workplace (Pullman School District and Schweitzer Engineering Laboratories), in the local roller derby league, and even in our neighborhood. We also love how Pullman has four actual seasons. Winters here are great, even though I am still learning to drive calmly in the snow. The summers and springs are actually warm and fall is definitely the best. It is the beginning of the school year, the leaves are changing, and there is Cougar Football.

After two years of working at Kamiak during the pandemic, I realized I wanted to be an administrator. I wanted to support teachers so we could better support the students in our schools. I went to Washington State University again (Go Cougs!) but this time for my master's degree in Educational Leadership and my administrative credentials. I applied for the assistant principal position in Pullman, my dream job, and I got it. My favorite part about working in schools is getting to know the people within your community and building relationships. With that being said, I cannot wait to meet all of the staff, students, and families at Sunnyside and Jefferson! To my Kamiak kestrels, I will miss you very much.

The Pullman School District Board of Directors and the Pullman School District shall provide equal educational opportunity and treatment for all students in all aspects of the academic and activities programs without regard to race, religion, creed, color, national origin, age, honorably-discharged veteran or military status, sex, sexual orientation (including gender expression or identity), marital status, the presence of any sensory, mental or physical disability, participation in the Boy Scouts of America or the use of a trained dog guide or service animal by a person with a disability. The district will provide equal access to school facilities to the Boy Scouts of America and all other designated youth groups listed in Title 36 of the United States Code as a patriotic society. District programs will be free from sexual harassment.

The following employees have been designated to handle questions and complaints of alleged discrimination: Civil Rights Coordinator and Title IX Coordinator, Assistant Superintendent, (509) 332-3144, and Section 504 Coordinator, Director of Special Services, (509) 332-3144. 240 SE Dexter Street, Pullman, WA 99163. Applicants with disabilities may request reasonable accommodations in the application process by contacting the Personnel Coordinator at (509) 332-3584.
