## Classes & CTSO Update

---

What is going well and what needs to be improved? We discussed how the separation of the woods and metals classes has helped this year. Also, this is the first year that the seniors have only had me as their shop teacher. I am continuing to look for new projects for students so they can be challenged.

---

## 4 Year Plan/Program of Work

---

Review 4 year plan, set goals/make a plan for what will be achieved this year.

### Program Goals

1	Find and attend conferences
2	Look for ways to provide students with certifications
3	Continue to upgrade equipment to keep up with industry.
4	

### Goal Action Plan Worksheet

Strategies & Action Steps	Responsibility	Timeline	Evidence of Effectiveness
Speak with other shop teachers about opportunities	Instructor	End of year	Schedule a conference trip
Find trainings through OSHA or AWS	Instructor	Within a year	Become certified to provide students with trainings.

---

## Program Review & Approval

---

Instructor Approval – approval of current year’s instructors/suggestions for professional development.

**Motion Required** Tim Sullivan

Review Articulations

---

## New Courses/Materials

---

Are there any classes/courses that you are submitting for approval for Spring semester and/or next school year? Are there any course materials you need for new/current courses? No New Material

---

## Labor/Market Data

---

Determine a need for courses/programs based on labor market data.

[NuMetrics CTE Dashboard](#)

Course Name	CIP Code	Relevant Labor/Market Data
Welding Technology	480508	See Attached Sheet

**Motion Required** Brady Shelton
